ACTION PLAN FOR 2022

- ▶ Do not buy buy into fear!
- ▶ Support your own health and wellbeing (choose the natural way; food, exercise, mind)
- ▶ Practice mental & spiritual hygiene (watch self-talk, emotions. Find antidotes)
- ▶ Practice ethical behavior and inspire others to do the same
- ▶ Don't believe just one source: do your own research, compare several sources! (Dr. Oz)
- ▶ Look at "both" sides: sense the intent of each party and follow your built-in "truth-meter"
- ▶ Question History and what we were taught
- ▶ Envision your new world (people-friendly, fair, ethical, encouraging, etc.)
- ▶ Know your power: you can handle EVERYTHING you are confronted with. In fact, this is your soul task! And: you are not alone!
- ▶ Practice compassion: we may have to comfort many people who experience a state of shock as their reality gets shattered
- ▶ Follow the money AND the data/information flow (pharma, corps, church, what data for what purpose)
- ▶ Vote with your wallet and your fork! (What do you value? Which ideals do you feed?)
- ▶ Stock up on staples and basics, just in case (think hurricane or earthquake-box, incl. cash, candles and solar charger)
- ▶ Simplify your life

Be comfortable with uncertainty for a while. Know that you came here equipped and ready for these times!
